

**The Barth Syndrome Foundation, Inc.
Policy on Evaluating Organizational Effectiveness**

Annually, the Board of Directors shall assess the financial and programmatic performance and effectiveness of The Barth Syndrome Foundation in achieving the mission and goals of the organization, and shall determine future actions required to achieve the mission.

Annually, the Board shall evaluate the performance of the President of the Barth Syndrome Foundation in the achievement of her goals for the previous year and agree on her goals for the coming year.

At least once every two years, the Board shall evaluate and revise as necessary the Strategic Plan of the Barth Syndrome Foundation including mission, goals and organization.

Adopted as of January 25, 2005
